

Cuddle Sleeve™ offers comfortable baby nest

Cuddle Sleeve™ placed over a parent's arm provides a soft, cozy nest in which baby can rest, feed, and sleep. The caregiver enjoys the arm's relaxed position, as it helps to lessen fatigue.

The soft, cuddly fabric is machine washable and creates a barrier against perspiration, irritating fabrics, and germs, as well as giving babies experience with tactile sensory experience.

Available in five colors, the Cuddle Sleeve also comes in minky dot and two fluffy fabric choices. The suggested retail price is \$59.95. For more information call 480/ 998-4611 or visit www.cuddlesleeve.com.
